

North Ridge Elementary

Morning Routines:

- If you drop your child off at North Ridge before 8:10, please do so on the west side of the building. Students cannot be dropped off prior to 7:45 am. There is no supervision.
- Students enrolled in the North Ridge School Age Childcare will enter the building through the north cafeteria door (door #11). Breakfast will be served at 7:30 for these students.
- Students riding route buses will arrive at their scheduled time and will be dropped off at the front of the building. All students will enter the building through the front entrance (door #1). Students will be allowed to go to breakfast as soon as they check in with their classroom teacher.
- Breakfast is served from 7:45-8:20 am. Any student arriving during this time is allowed to eat breakfast. We ask that students arriving at 8:00 or after check in with their classroom teacher prior to eating breakfast.

Afternoon Routines:

- All students are dismissed at 3:15.
- Students enrolled in the North Ridge School Age Childcare will walk to the cafeteria.
- For Routes 9, 12, and 21: Kindergaren-1st grade bus riders will exit through door (#2). 2nd-5th riders will exit through door (#1).
- For Route 10 and 11: Kindergarten-5th grade will be supervised in the gym until their route arrives for dismissal.
- Students that are picked up by car will exit the building through the west doors (#8).
- Students walking or riding bikes will either dismiss through doors (#1) or (#8) depending on location of home.

Other information:

- Any parents dropping their student off at North Ridge after 8:10 are to use the north driveway and drop them at the front entrance. (Door #1)
- Starting at 3:00 the front of North Ridge will be for buses only. Parents needing to pick up their student early will need to park in a designated parking spot.
- Please do not leave vehicles unattended along the curb in front of the school or along the west side. If you are entering the building please use the parking spaces provided. If those spots are full, please park in the west parking lot.
- The center lane should be left open in front of the building for fire and emergency vehicles.
