## Walk Zones

No school bus service is available for students that live within 1 mile of their school.

## Free Zones

Students who live more than two miles away from school will be provided with free school bus service. Some neighborhoods are eligible for free school bus service until walking passes are established to their school. Students that are involuntarily transferred to a school other than their designated attendance center are provided free school bus service.

## Pay Zones

Students living between 1 and 2 miles from their school are eligible for Pay-to-Ride school bus service on a space available basis. Parents must register and pay for this service.

- The fee for this service is \$275 per semester. Students that qualify for the Federal free & reduced lunch program qualify for a reduced fee of \$150 per semester.
- Students must live within the boundaries of their designated school & be picked up and dropped off at the same neighborhood school bus stop.
- The registration must be completed and fee paid before a bus pass is issued. The student is issued a bus pass which must be shown each time the student boards a bus.
- Space is limited. If there is not enough room on a bus, students will be put on a waiting list.
