Announcements:

The Makerspace has changed its check in/out policy. Be prepared to have a picture of your product taken at the end of each visit to the space. All students visiting the space must have a signed pass from a teacher. We are also introducing Makerspace challenges! For the weeks of April 15-22, the challenge is to create a backpack for a super hero that lights up. The creator of the best product will win a coupon to a free cookie from the lunch room.

Students can sign up for summer Driver's Ed in the Meadows office. Classroom and driving will start on Monday, June 10. Sign up early as class size is limited to 48. We will have a meeting in May, and information sheets are available in the Meadows office.
