### **Announcements:**

Let's Unplug for a Day! Meadows Unplugged is on Wednesday May 29. We are encouraging all staff and students to go without their phones. There are different rewards based on how many periods of the day you go without your phone. If you have questions, talk to your advisor or Mrs. Judd

The last day for students to check out books is this Friday, May 24th. As we will begin the book inventory next week, all books should be returned to the Media Center by Tuesday, May 28th. Thanks for your help with this!

Girls who are interested in running Cross Country this fall - please stop by the Meadows office to sign-up!

There will be a meeting for all boys in grades 8-11 interested in going out for cross country next fall on Thursday at 3:20 in the HS media center. If you have practice for another sport, please stop by right after school to get information before heading out.

For the Quarter 4 assembly Meadows Got Talent feature, some students requested a weight lifting competition. We are trying to determine student interest to know if we can hold this event. For the competition, the lift you will need to do will be a dead lift. Anyone interested in participating in this lift off competition, please email Mrs. Judd or Mr. Juergens by Friday May 24. The assembly will be Friday May 31.
