DCG Families,

Thank you for the overwhelming support in your response to our recent survey. We are taking a deep look at the responses when considering what our plan will be when we Return-to-Learn, along with the latest guidance for reopening schools from the Iowa Department of Education (IDOE) and Iowa Department of Public Health (IDPH).

We are working to create and develop a 2020 - 2021 school year that is safe and effective for students, families and staff. There are still many questions about what the school year will look like, and we will be providing more information to staff and families from mid-July to early August on which Return-to-Learn plan will be implemented when school starts.

Drafts for three plans, Required Continuous Learning, Hybrid Learning and On-Site Learning have been submitted to the state. Creating these plans allows for us to be ready to implement the same #dcgexcellence we have grown accustomed to.

We appreciate your patience, engagement and compassion as we continue to navigate this pandemic together. Please continue to watch for additional information in the coming weeks.

Thank You,
Scott Grimes, Superintendent
