DC-G Families,

Voluntary Educational Enrichment Opportunities (VEEO) and Zoom meetings will end during the week of May 25th. Students will receive their last VEEO for the 2019 - 2020 school year on Tuesday, May 26th. Zoom meetings will conclude during that same week for scheduled times between Wednesday - Friday.

All students in grades K-8 will progress to the next grade level and will see “P” or “Pass” in Infinite Campus for Quarter 3 and Quarter 4 grades. This will be completed next week in Infinite Campus. DC-G has chosen the pass grading option for K-8 with guidance from the Department of Education. Students in grades 9-12 have already worked with teachers at the high school for options in determining their grades and credits for the end of this school year.

In preparation for the 2020 - 2021 school year, teachers will assess student learning through a variety of methods including discussions with other staff supporting students and reviewing academic assessments. Teachers will also collaborate with the previous year's teachers and identify missed instruction during this school year to create an optimal instructional plan. DC-G will provide time for our teacher teams to reflect on student data to ensure quality instruction that meets the needs of every unique learner in the system.

Grab and Go Meals will continue to be available at both Dallas Center Elementary and South Prairie Elementary from 10 am - 1 pm until June 30. Breakfast and lunch will continue to be included in one bag. We received approval from the USDA to continue with this program. Meals will be provided to all children without charge. We are able to serve ANY child 1 - 18 years of age. Regardless of what school your child attends or where they live, you may access meals from these locations.

The best interest of your children has been at the top of our minds while making difficult decisions. Thank you for your continued understanding and support through this process. Together we are DC-G.

Scott Grimes, Superintendent
