GOOD THINGS ARE HAPPENING AT SOUTH PRAIRIE

HEALTH OFFICE MESSAGE:

Dear South Prairie Families,

As we are heading into the cold and flu season, it is important to report the type of sickness that your child has when he/she is out with an illness. Thank you to those of you who already do this consistently.

I would like to encourage you to communicate any contagious diagnosis that your child may have during this school year. We would really like to work with you to help in preventing the spread of illness between students, staff and to be especially mindful of those that have compromised immune systems. What may seem like a simple cold to your child could cause a life-threatening illness to another student, infant, parent or grandparent.

It is school district policy that your child is fever and symptom free for 24 hours before returning to school from an illness. Thank you for all of your help in keeping our students and staff healthy!

Sara Walsh, RN BSN

School Nurse

FAMILY UNIVERSITY – School/Family Connection

**Please join us October 24th in
the DCE library from
6:00-7:00!**

Guest speaker,
Dena Owens, will
share information about Adverse Childhood
Experiences (ACEs). ACEs can have many
effects on a child's life. Please join us to hear
about these Adverse Childhood Experiences,
how they might be prevented and learn
strategies that will assure safe, stable,
nurturing relationships and environments for
ALL children.

Dena Owens, M.S., LMHS, LPHA is an ACES trainer and therapist with a practice in Grimes at Providence Place.

Our goal is to build a strong school-family partnership so that each child is and feels successful! Please join us for fun activities, door prizes, and snacks. Child care will be provided.
