DC-G Families,

As a district we are determined to find a way to celebrate our seniors with an in person graduation. We have listened to the wants of the senior class and their parents by conducting a survey. Along with researching dozens of options, we have come up with a plan and then a back-up plan, just in case.

Commencement will be held on Friday, June 26th at the DC-G Football stadium starting at 7 p.m. If there are weather conditions we will plan to be in the Meadows Gym at 7 p.m. Our intention is to plan for this date. Guidelines at that point may be limited attendance, such as immediate family (mom, dad, siblings) and graduates. If conditions are not to the point where we can hold a large ceremony our secondary option is Friday, July 17th at the DC-G Football stadium at 7 p.m. If there are weather conditions we will plan to be in the Meadows Gym at 7 p.m.

As a District, we will continue to develop and communicate the logistics starting with the June 26th date as our top priority. As we look to the weeks ahead, student and staff safety will continue to be at the forefront of our decision making. We remain hopeful that one of our selected graduation dates will be possible despite the constantly evolving coronavirus situation. At the same time, we will continue to monitor current data and projections. Should conditions significantly change or further prevent gatherings during our established dates, we will discuss alternate options for graduation at that time. Thank you again to the senior class who has continually demonstrated patience and #dcgexcellence during this unprecedented time.

Scott Grimes, Superintendent
