DCG Families,

Thank you to those families that have completed the Return-to-Learn commitment survey. [Please click here](#) if you had not had a chance to complete the survey, the deadline to submit responses is this Friday, July 31. We ask that all families fill out this survey for each child in your family. As a reminder, families will have a choice in how you would prefer your children engage in learning upon returning to school this fall. This survey helps us know how many students plan to attend on-site learning or participate in online learning.

We have compiled a list of frequently asked questions. Please take time to review them by clicking the link below. [Return-to-Learn FAQ's](#). This link can also be found on our website on the homepage under announcements.

Thank you for your continued support and patience during this unprecedented time.

Scott Grimes, Superintendent
