We want to inform you of our positive COVID-19 cases and quarantine count. Starting next Thursday, this information can be found on our website, under the return-to-learn quick button found on our main webpage, <https://dcgschools.com/>. Positive COVID-19 and quarantine counts will be updated weekly via a dashboard. The dashboard will take the place of these weekly emails. This past week we have had nine positive COVID-19 cases, this includes nine students and zero staff. Fifty-five students and/or staff have been quarantined. Not all of these quarantine cases are from direct contact in our buildings.

We continue to contact trace and reach out to those individuals directly affected. Thank you for being diligent with us by using the COVID-19 hotline. If needed, the phone number for the COVID-19 hotline is 515-985-8430. The hotline has been an effective tool in helping slow the spread. We appreciate your patience in working with our nursing and teaching staff throughout the process.

As changes and updates occur we will keep you informed. With your continued support, we believe we can continue creating a safe and fun learning experience for your child(ren).

Thank You,
Scott Grimes, Superintendent
