We are holding a special board meeting tomorrow, Monday November 9th at 6:00 pm. This meeting is due to the COVID-19 positive rates in Polk and Dallas County at 16 and 18 percent respectively. In addition, we are seeing an increase of COVID-19 amongst our families and staff members. We have also received information from a local medical clinic that there is an increased positivity rate in our communities. The special board meeting will be to discuss the recommendation to continue with our current Hybrid learning model until November 24th. If approved, Group A will have class Wednesday, November 11th. Group B will attend in person on Thursday the 12th and Friday the 13th.

We will move forward with our plan to have learning for all students in an offsite learning model on Monday and Tuesday of this week. This will allow staff to prepare for full onsite learning that would begin Monday, November 30th.

I wanted to make families aware as early as possible to make necessary plans. Thank you for your continued support and patience as we navigate this ever changing pandemic. As a reminder please continue to wear masks, practice social distancing, and continue good hygiene with frequent hand washing.

Scott Grimes, Superintendent
