DCG Families,

The school board met tonight in a regular scheduled meeting and reviewed action that was voted on during the November meeting. School will resume in person five days a week at the beginning of second semester on Tuesday, January 19th. Online learning will continue to be an option for families. [Please complete the following enrollment canvas](#) for each of your children for the second semester by Tuesday, December 29th at 5:00 pm. If you do not complete this form you will be contacted by someone in the district. Families that are learning through Edmentum do not need to complete this form. This information is very important to gather so we can determine schedules, homeroom teachers/advisors and staffing for our return-to-learn five days a week. Early outs every Wednesday will continue for the second semester.

Thank you for your partnership. We are looking forward to having students back in our buildings.

Happy Holidays,
Scott Grimes, Superintendent
