DCG Families,

If you have not completed the enrollment canvas for the second semester [please fill out this form](#) for each of your children. We have extended the deadline to Wednesday, January 6th at noon. If you do not complete this form you will be contacted by someone in the district. This information is very important to gather so we can determine schedules, homeroom teachers/advisors and staffing for our return-to-learn five days a week. Families that are learning through Edmentum do not need to complete this form. In addition, if you have already completed this form you do not need to do anything else.

Thank you for your partnership this school year. We are looking forward to having students back in our buildings five days a week starting the second semester.

Scott Grimes, Superintendent
