DCG Families,

We have updated our calendar for the second semester. A master calendar for the remainder of the school year can be found by [clicking on this link](#). The master calendar can also be found on our website, [www.dcgschools.com](http://www.dcgschools.com). Every Wednesday 1 pm early outs will continue for the remainder of the school year. In addition all other breaks and professional development days will continue as planned. As of now we are planning to have school closures, delays or early dismissals for inclement weather days if necessary. We will use email, text, phone, social media and local media channels to communicate in a weather event as we have in the past.

Thank you,

Dallas Center Grimes - Community School District
