## SAEBRS Statewide Assessment

In an effort to build the academic success of our students, we want to place an emphasis on educating the whole child. The state of Iowa has recently provided guidance to school districts by developing [Iowa Social-Emotional Learning Competencies](#). Heritage utilizes a statewide screener called SAEBRS (Social, Academic and Emotional Behavior Risk Screener.) SAEBRS is designed for use across grades K-12. It is grounded in a conceptual model, which specifies that school success is predicated not just upon academic achievement, but also success within multiple inter-related behavioral domains.

Each classroom teacher has completed the screener reviewing social behavior, academic behavior, and emotional behavior. This process is comparable to our FAST screening for reading. If needed, more learning through interventions may be provided to help students grow and succeed. Mrs. Anderson, our school counselor, will review this data to create Social Academic Instructional Groups (SAIG). In a SAIG group, students will receive instruction for six weeks (once per week for 20 minutes) in the areas of social, academic, or emotional behavior skills depending on the area of need. Mrs. Anderson or other Heritage teachers will facilitate these groups.

If you have any questions about SAEBRS, please contact Diann Williamson. Thanks for your support!

HERITAGE PICTURE  
RETAKE DAY  
TUESDAY, OCTOBER  
18TH!

Yesterday was National Coaches Day and we are so fortunate to have our Heritage Instructional Coach, Abby Crannell.

We are so grateful for the support she lends to both staff and students every single day.

## CALENDAR
