- October 18 - Picture Retake Day
- October 20 - No Preschool (Wednesday)
- October 21- Field Trip for Haack, Seifert, Schliemann and White's classrooms

Helpful Handbook Reminders

As it is getting colder outside, please make sure **your child has the proper clothing for outside play.**

In order to make sure children can play comfortably outside, it is important to dress according to the weather. When it is cold outside, provide a warm coat, mittens or gloves, and a hat (labeled with the child's name). For the warmer days, dressing lightly is just as important, and on questionable days, layering is a practical idea.
