Helpful Handbook Reminders

Field Trips

An important learning opportunity can take place in the form of a field trip that is relevant and reinforces what has been taught in the classroom. The DC-G school buses are used for these field trips. Parents will be informed of each field trip through a newsletter or special note. A parent or legal guardian must sign an informed consent form for trips for each child before each trip. Adult family members may be asked to volunteer to go on these trips to provide increased supervision and adult/child ratios. Each child will be assigned to an adult for every part of the trip. During the field trip, all children will wear identifying information indicating the program name and phone number. A first aid kit, emergency contact information, and emergency transport authorization information for the children in the group will be taken on all trips. Children may only use a public restroom if a staff member accompanies them. Children will never be left alone in a vehicle or unsupervised by an adult.
