Digital & Internet Safety with State Trooper Rodney Larson

Towards the end of October and beginning of November, all middle school students will hear a presentation from State Trooper Rodney Larson. He will be coming during Library/Guidance classes to talk about internet safety, Cyber-bullying and Digital Citizenship. We are excited that he is available to support our learning around the safe and appropriate use of technology.

This is an important topic at school and at home. Below are a few links if you would like more information and tips on how to talk to your children about being safe online.
