

North Ridge News

North Ridge Elementary - A View from the Ridge

REMINDER - Per our student handbook, "if the wind chill or temperature is below 10 degrees recess will be indoors," otherwise the students go outside. With winter weather arriving in Iowa this week your child is required to bring snow pants and boots to play in the snow. If your child doesn't bring snow pants and boots they will still go outside but they only get to play on the blacktop. If you are a family in need of snow pants and boots please reach out to the office as we have donated items we can give to your child.

Parent drop off/pick up **REMINDER** - For safety purposes please do not let your children out of your vehicle until you are between the cones unless an adult is there to help. The winter weather causes things to become slick and we don't want anyone falling and getting hurt. The area between the cones is cleared of snow and ice as much as possible.

Handbook Review: Communication - Staff members do not have a break from teaching to check email during the day. If you have other information for your student or teacher, please contact the office and they will make sure your message is delivered before school is dismissed.

The Dallas Center-Grimes School District values communication between home and school and throughout the community. DCG School District uses a notification system called Thrillshare. Thrillshare is a fully hosted notification platform used to connect parents, students and staff through voice, SMS text, email and social media. DCG will be using Thrillshare for emergency and general notifications. This includes notifications such as building information, bus updates, late starts or other emergency situations that may arise during or after school hours. Thrillshare fully integrates with Infinite Campus, so there is no list for parents to sign up.

Highlight on Guidance

Students at North Ridge wrote thank you cards to our Veterans. We delivered the cards to Hy-Vee for their Veterans Day breakfast event and asked our local Veterans to read the same cards. Thank you for this powerful message North Ridge students!! Please use this [link](#) to watch the short video.
