Handbook Review: EFR - DCG Community School District offers a student assistance program for our families. The program is designed to provide assistance to young people who are experiencing difficulties in a variety of areas. These areas of difficulty could include, but are not limited to, parental relationships, eating disorders, substance abuse, peer relationships, depression, self-esteem, suicidal tendencies, or poor academic progress. The student assistance program has professional counselors available 24 hours a day, 7 days a week to address student needs. Confidential counseling, evaluation and referral services are available to all students and their family members at no cost. Students and their immediate family members can call the SAP directly at 800-327-4692 or look online at <https://efr.org/>

PTO has a free online directory available for families to connect.

Fun in the snow at Recess.

Highlight on PE - In P.E. we are wrapping up a Hockey skills unit. Students practiced basic skills in the form of lead up games like "Hockey Tag" and eventually small sided (4 vs. 4) hockey games to challenge and develop coordination, anticipation, team work, tactics, and sportsmanship.
