North Ridge Music Concert coming in March.

Last call to order a North Ridge yearbook. Flyers were sent home also.

Highlight on Music - Kindergarten and First Grade students sang the song "Aikendrum" about a man who lives in the moon and looks a little strange. We made a class picture and used our imaginations to create the whole character, then added all of the parts to the song. Featured below is Ms. Soukup's class creation, but if you would like to see all 7 of the pictures, you can follow this [LINK](#). Ask your child to sing the song for you at home!
