Handbook Review: Riding of Bikes, Roller Blades, Scooters, Skateboards & Wheeled Shoes - Students are allowed to ride bikes, roller blades, scooters and skateboards to school with parent permission. Students must walk their bike and/or carry their roller blades, scooters and skateboards once they are on school property. Bikes must be parked in the bike racks (optional for scooters). Locking bikes and properly storing scooters, roller blades and skateboards, as well as wearing helmets and related safety equipment is recommended. The school is not responsible for lost or stolen bikes, scooters, roller blades, skateboards and related equipment.

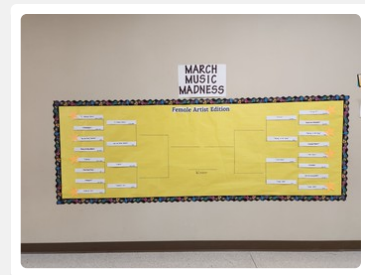

Due to safety concerns and disruption of instruction, students are not allowed to wear shoes with wheels to school with the wheels in them. If a student does choose to wear his/her wheeled shoes to school, he/she must remove the wheels prior to coming to school and leave the wheels at home.

Please register for the 23/24 school year as soon as possible.

Highlight on Art - 4th graders are starting Grant Wood Parody Drawings. Grant Wood is a famous artist from our very own state! One of his most famous paintings is American Gothic, which portrays a man holding a pitchfork and a woman standing next to him. A parody is an imitation of the style of a writer, artist, or genre that is exaggerated in order to be funny. The student's job is to pick two characters from a movie, tv show, or video game to be in the foreground of their drawing. Student's will add details that relate to Woods' painting in their own creations. Stay tuned to see what these amazing artists create! -Ms. Erps

-A little About Me-
 This is my 4th year teaching at DCU. I have taught kindergarten in Indiana for 3 years and preschool at Heritage for 1 year, before returning to kindergarten last year. I'm a DCU graduate, a lifelong Genesis resident and a big CYCLONES fan. My husband Nick and I stay busy with our 4 kids by supporting them in all their activities. I love to grill, do some crafting and read!
