4th grade Junior Achievement

March Music Madness update bracket.

Highlight on Music - Congratulations to the 3rd and 4th graders, who performed their music concerts on March 23. This was the culmination of almost 3 months of learning and memorizing 6 songs and dances, as well as speaking and instrument parts. We put the skills we have been learning in music class to use for this formal performance and the students should be so proud of their hard work!
