## North Ridge Elementary - A View from the Ridge

Handbook Review: Dress Code - We rely on your good judgement to help your child dress appropriately for school. School personnel will make the final determination of the appropriateness of the student's attire. Students may be required to change their clothing if deemed inappropriate.

The following suggestions are a practical guide for students in the DCG School District:

- Clothing with questionable monograms or patches should not be worn. This includes, but is not limited to, clothing that promotes objectionable or offensive language or behaviors, as well as, clothing that promotes alcoholic beverages or any other substances that are inappropriate for minors.
- No bare midriffs will be allowed and/or belly buttons being visible. Students are not allowed to wear short shorts to school.
- Please make certain your child's dress does not interfere with his or her learning process.
- Students may not wear hats in school unless for a special occasion or reward earned and approved by the building.
