North Ridge Elementary - A View from the Ridge

If you are in need of assistance in setting up your RevTrak account to pay your school fees or put money in your child's lunch account please call Amanda in the office at 515-986-5674.

As the potential for inside recess increases over the next few months if you have any board games, card games, legos, etc. that kids have outgrown we would love to take them off your hands.

Handbook Review: Six Day Cycle - Our schools operate on a six day schedule instead of Monday - Friday (five days). Our days are known as Day 1, 2, 3, 4, 5 and 6. Through this schedule, whenever days of school are missed because of inclement weather or holidays, students do not miss their related arts subjects. The day missed will be the next day that students attend. (Example: If Day 2 was on a Wednesday and we missed because of a school cancellation, Thursday would again be a Day 2). In this way, the continuum of the curriculum is not altered and important instructional skills remain in sequence. Students will have PE, Art, Guidance, Music and Library.

Put this on your calendars, annual Mother/Son and Father/Daughter dance in 2023. This is for all preschool through 6th grade students.

Highlight on Library - After reading several gingerbread books during library class, the 1st graders worked collaboratively to build a gingerbread person trap.
