## North Ridge Elementary - A View from the Ridge

**REMINDER - Per our student handbook, "if the wind chill or temperature is below 10 degrees recess will be indoors;" otherwise the students go outside. The cold winter weather has arrived so please make sure your children bring the appropriate clothing to be outside for recess, this includes snow pants, snow boots, gloves and hats. The children DO NOT get to stay inside because they don't bring the appropriate clothing to stay warm while outside for recess. On snowy days if your child doesn't bring snow pants and boots they will still go outside but they only get to play on the blacktop. If you are a family in need of snow pants and boots please reach out to the office as we have donated items we can give to your child.**

Handbook Review: Eating Lunch with Students - If you would like to eat lunch with your child, please call the office that morning. This will ensure enough food is prepared for every student. It is important to keep your child's lunch account balance current. You can send a check with your child or pay online using RevTrak on the school website, [www.dcgschools.com](http://www.dcgschools.com).

You may access lunch menus in the school office or on the district website, indicating the cost of meals and additional milk. Milk may also be purchased daily by students who bring cold lunches. Breakfast is available in each building. Pop is not allowed in the lunchroom for students or adult visitors. **Restaurant food is not to be brought into the lunchroom.** Parents may take children out to lunch or eat in an alternate setting.

**No visitors during lunch the first two weeks or the last two weeks of school.** We encourage and invite you to eat lunch with your child at school sometime during the year. You may pay for your lunch as you go through the lunch line using your child's nutrition account or in cash with exact change or small bills.

Registration for the 23/24 school year will open on February 1st. Please register your students as soon as possible to help the district with up to date student enrollment numbers. Fees for the 23/24 school year can not be paid until July 1st.

Highlight on Library - 4th graders evaluating past Caldecott Award books in the library. The students learned that there are many different styles of illustrations that win the award. It was fun to compare their own ratings to their peers and the Caldecott committee.
